About this edubadge

The owner of this badge successfully completed a Spanish for Beginners course at Tilburg University Language Center. During this course, participants learn the basics of Spanish. All skills (listening, reading, speaking, and writing) are covered, but the course mainly focuses on interaction. All practice activities are focused on practical and realistic situations. Cultural topics are also discussed during the lessons.

Learning outcome

Level A2 of the European Framework (CEFR) has been reached.

What are the requirements to qualify for this edubadge?

The owner of this badge successfully completed the following course in 2021: Spanish for Beginners. Completion of the course required passing an institutional test. The level assessment is valid up to one year after completion of the course.
